Enriching lives, opening minds

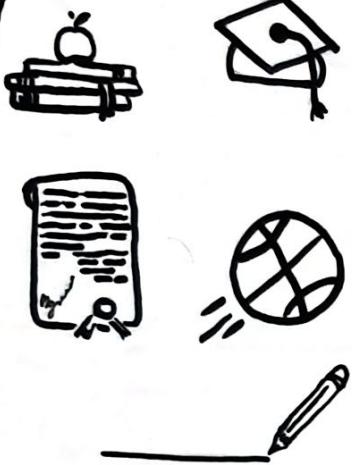

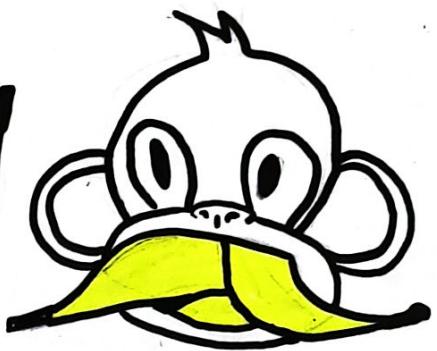

My name is Sam.  
I'm 17.

My name is Emma  
I'm 22.

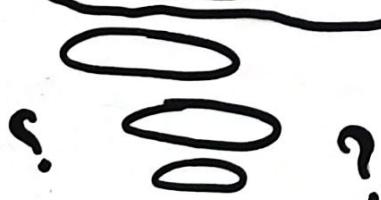

My name is John  
I'm 35.

I was always curious about how other people studied abroad...

It is both expensive and challenging!...

Oh my God! I'd like to travel and make friends from all over the world.

Share ideas and collaborate on important projects...

Coop

I'd like to start my own NGO. Create and implement projects to encourage others to believe in themselves and to inspire them that by working together, we can change the world for the better!...
