

Heart
knows the way...

This job
is **NOT**
for
women

You can
NOT
balance your
career and
family

You have to
choose more
"feminine" career

You
have to
get
married

Go after
careers that
require less time
and a job that
is flexible

... and
your work
place is
the Kitchen

You will
NOT
succeed

You will
be less
paid
