PROJECT DESCRIPTION

The aim of the “LET’S MAKE A STORY” project is to increase the skills of youth leaders through the acquisition of effective, informal, and "youth-friendly" techniques and methodologies and creating a facilitated discussion spree between participating youth workers to share information, data, best practices, and knowledge about concepts and principles of youth participation and how to inspire and empower young people to become active at the local, regional, and international levels. With this aim, we are planning through this LTTC to equip the youth workers with creative methods, tools, and instruments, which will help to encourage young people to take initiative in their local communities and influence things by using these widely used methods of comic making and storytelling.

THE STRUCTURE

The first TC 01-09.11.2022

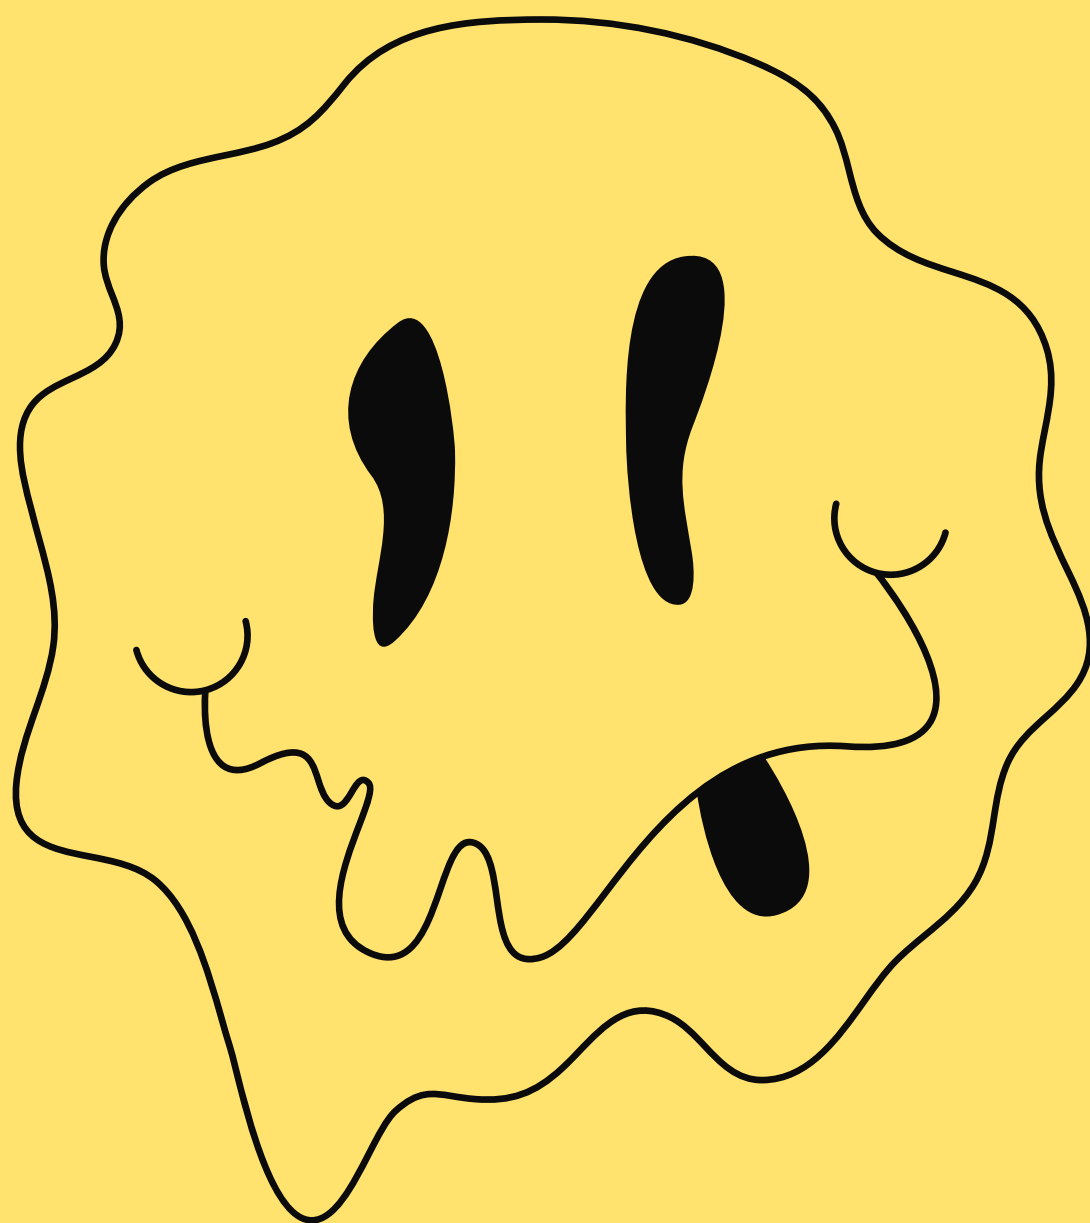

✦ **Ivancice, the Czech Republic** was aimed on exploring the methodology of storytelling

✦ **Homework** during this stage, the participants organized the workshop for target groups they work with and present the information about the project , comics and storytelling

The second TC 31.01-08.2.2023

✦ **Ivancice, the Czech Republic** will be dedicated to creation of comics

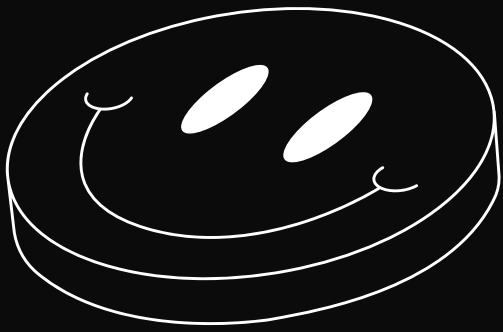

✦ **By the end of the project**, participants will create their comics, which will be presented at the exhibition and then published and share on social media to raise awareness about the importance of youth participation and promote the results of the project.

TRAINING COURSE 2

This activity is focused on exploring the topic of comics as an effective and creative tool of youth work and a way to involve and activate young people in the initiatives and training activities dedicated to them. Combining the benefits of images with written dialogues, comics have the potential to make specific subjects more accessible, engaging, and understandable for the youngest audience.
